

DAVAO CITY WATER DISTRICT

UPDATED 12-HOUR ROTATING WATER SUPPLY SCHEDULE IN CABANTIAN

As of March 20, 2018

Following the improvements in Cabantian Water Supply System, Davao City Water District releases new schedule for the rotational water supply with Deca Homes and Emily Home transferred to Schedule 1 (6:00 PM to 6:00 AM) and exclusion of some areas that were included in Schedule 2 in previous announcements.

The DCWD management apologizes to all affected customers and asks for their understanding and cooperation of affected customers. Rest assured, DCWD is doing the best it can to restore normal water service the soonest possible time.

Meantime, DCWD is still working on new interventions which may affect the rotational water schedule. Customers are advised to keep posted for updates.
